1. The amendment filed June 23, 2005 apparently crossed in the mail with the Office Action mailed June 28, 2005. Because the amendment was filed prior to issuance of a Notice of Allowance, the amendment is not considered to be filed under Rule 312, but rather under Rule 115 (Amendment filed prior to a first Office Action after an RCE).

2. Claims 4, 6-9, 15, 16 and 19 (as amended) are allowable over the prior art of record.

3. The following is an examiner's statement of reasons for allowance: The prior art does not disclose or suggest heat treating a metal workpiece by exposing the workpiece to infrared heat energy from an infrared heat energy source in the interior of a furnace, by a process as defined in independent claims 15, 16 or 19.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
